

Helping your School!

Waterfords School Sponsorship

Our business is built on the support of the local communities where we work and in return, we would like to give something back!

So, Waterfords Estate Agents will donate **£100** for a sale and **£50** for letting to the school fund of your choice once the transaction has been completed and all the fees have been paid.

Please complete the special Waterfords School Sponsorship voucher available to download from the YCPS website www.yateleycpreschool.co.uk, and hand to a Waterfords representative prior to instructing us to either sell or let the property.

If you are considering moving home, please feel free to use this voucher or pass it onto someone that you know.

Contact your local Waterfords office for a free market appraisal on your home and for some sound property advice.
