Lunchtime information

As your child will be attending pre-school over the lunchtime period in the coming school year, I am writing to remind you that you will need to provide lunch and a non- fizzy drink, (NO SWEETS please) in a named lunch box or bag with a cool pack inside.

Please be aware that some children may have allergies to certain foods such as nuts, please do not pack peanuts or cashew nuts in lunch boxes. We would prefer no peanut butter.

Due to the number of children staying for lunch we are unable to keep the lunches in a fridge. Please make sure especially in the warmer weather that there is a cool pack in your child's lunch box / bag.

Your child will still need fruit or vegetables or bread sticks for AM and PM snack. Any queries please speak to a member of staff.
